Allard USA Returns as a Holiday Silver Sponsor for OPAF

December 20, 2011 – Waterloo, Iowa - Allard USA, a leader in innovative orthotic solutions for those with physical challenges returns as a Silver Level Sponsor for OPAF & The First Clinics. In lieu of holiday gifts this season, Allard has chosen to make a generous donation to the First Clinics so that the work of adaptive recreation for those served by the orthotic and prosthetic community will continue.

“We are honored to again be chosen by Allard USA in this special way and look forward to more First Clinics in 2012, offering top notch quality adaptive recreational opportunities to anyone with a physical challenge at no cost to any participant. The First Family of Clinics continues to grow and encompass more and more activities. New clinics coming this year will include First Fish, First Sail, First Walk/Run and First Kick. Allard’s generous donation will help make that possible” said OPAF Executive Director, Robin Burton.

For those who may want to follow Allard USA’s lead and donate to OPAF & The First Clinics for the holidays, please contact the OPAF office at 319-235-4318. As a 501 (c)(3) public charity, OPAF contributions are tax deductible as we serve as the philanthropic arm of the US Orthotic & Prosthetic community.
