OPAF Seeking SCUBA Divers and Volunteers for Belize trip

November 9, 2011 – OPAF & The First Clinics, in conjunction with Project Hope Belize is seeking interest from the O & P community for a SCUBA diving trip in May 2012. Project Hope Belize has a mission trip scheduled for May 6-13, 2012. We are looking for interested parties in putting together a dive trip to Belize with the mission trip for O & P care. We would likely schedule the dive trip either immediately before or after the mission trip

If you are a SCUBA diver and would be interested in participating in the dive trip and/or volunteering for the mission trip to Belize, please contact OPAF so that we can determine if this trip is a possibility. Please contact Robin Burton, OPAF Executive Director at 319-235-4318 or rlb@opfund.org by December 1 to be included. We already have over a dozen people who have expressed interest! This is just another way that OPAF & The First Clinics, including First Dive Intro to Scuba™ continue their mission of “Giving Wings to Dreams!”®.
