OPAF Issues Call for Nominations to Board of Directors

June 5, 2009 – Langhorne, Pennsylvania - The Executive Committee of OPAF & The First Clinics, serving as the Official Philanthropy of the U.S. Orthotic and Prosthetic community (www.opfund.org), has begun its annual search for individuals who would like to serve the O & P community through membership on the OPAF Board of Directors. The Executive Committee of OPAF, serving as the Nominating Committee, coordinates nominations to the OPAF Board of Directors, presenting these nominations to the entire OPAF Board each fall.

Nominees are needed at this time for one (1) and up to three (3) Directors seats.

Complete nomination details and the required nomination form are available on the OPAF website at:

<http://www.opfund.org/about/index.html>.

Nominees should have appropriate background, a history of 501(c)(3) nonprofit committee/volunteer work (preferred, but not required) alongside a familiarity with and dedication to fundraising, and a strong commitment to the primary mission of the Fund: To enable individuals served by members of the orthotic and prosthetic community to enjoy the rewards of personal achievement, physical fitness and social interaction. Knowledge and familiarity with OPAF and our ongoing First Clinics and events would also be most beneficial.

The deadline for filing nominations is 5:00 PM EST on Friday, July 31, 2009

Please direct any questions to either Jeff Collins, OPAF President (jcollins@cascade-usa.com or 530-879-1580) or to Robin Burton, OPAF Executive Director (rlb@opfund.org or 215-752-5756).

Thank you for doing your part to help us continue our mission of *Giving Wings to Dreams!*®
