## **Ohio Willow Wood Renews OPAF Gold Level Sponsorship**

August 20, 2010 – Waterloo, Iowa – OPAF and The First Clinics announce with pleasure that Ohio Willow Wood has renewed their Gold Level Sponsorship for 2010. Ohio Willow Wood, an industry leader for over 100 years in the orthotic and prosthetic field has once again donated \$10,000 to help OPAF continue their work for the O & P population with their First Clinics and other projects.

“Since their inception, OPAF has been integral to Ohio Willow Wood’s continual efforts to reach out to the amputee community and to assist them in realizing the full potential of healthful and active life. Over the years OPAF and Ohio Willow Wood have partnered in a number of ways to make available services and support otherwise lacking, and we look forward to many such years to come” said Ryan Arbogast, OWW General Manager and Vice President of Operations. Ryan is the fourth generation of the Arbogast family to lead the company.

“This contribution will help us to bring more clinics across the country and urge people with physical challenges to return to a more active lifestyle. Ohio Willow Wood has been a strong supporter of OPAF for many years and has always led by example in their philanthropic giving,” said Robin Burton, OPAF Executive Director.

OPAF and The First Clinics are reaching people across the country with quality adaptive recreational sports programs and clinics. Tennis, golf, scuba, swimming, kayaking and therapeutic horsemanship are all part of the OPAF First Family with clinics being held nationwide. For more information and a schedule of clinics, please visit the OPAF website at [http://opfund.org/opaf\\_calendar.asp](http://opfund.org/opaf_calendar.asp) or call the OPAF office at 319-235-4318. An OPAF First Clinic is an excellent way to market your practice or your company and give back to your community.
