Please join us on Monday September 17th at the Thranhardt Golf Classic benefiting the Orthotic and Prosthetic Assistance Fund, Inc. (OPAF).

This year's event will be held at the Stallion Mountain Country Club. Stallion Mountain Country Club offers changing elevations, Las Vegas Strip views, water on nine holes, and a set of tee boxes that will accommodate every level of player.

Designed by Jeff Brauer and Jim Colbert, this 7,272 layout features four-sets of tees making for an enjoyable round for golfers of all abilities. In 2001 new greens were added featuring Bermuda putting surfaces and in 2004 design modifications were made by the team of Lee Schmidt and Brian Curley.

Proceeds from this event will help OPAF sustain its chief mission: **enable individuals with physical disabilities - especially those served by members of the orthotics and prosthetics community - to enjoy the rewards of personal achievement, physical fitness, and social interaction.**
